

## CELEBRATIONS!

### Jubilee Waterslide

Children from the parish requested a waterslide to celebrate the Queens Diamond Jubilee! At the end of the Jubilee celebration afternoon tea and games (around 4.45p.m.-5p.m.), children will be able to try out the Thornton-In-Lonsdale waterslide! Please bring a change of clothing and towel to experience the activity. The grassed area at the rear of the Village Hall has a slight incline which should enhance the waterslide activity. This should be fun to see and play on weather permitting!

Come and join the fun!
